

The Oven

by Sophie Goldstein

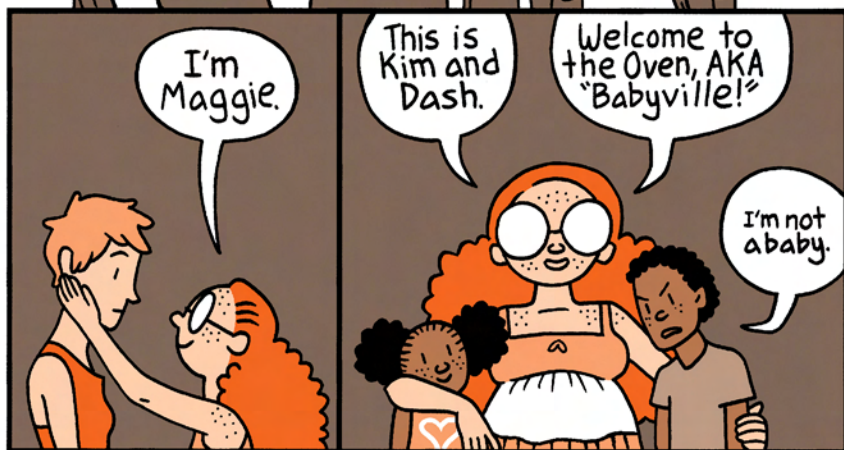

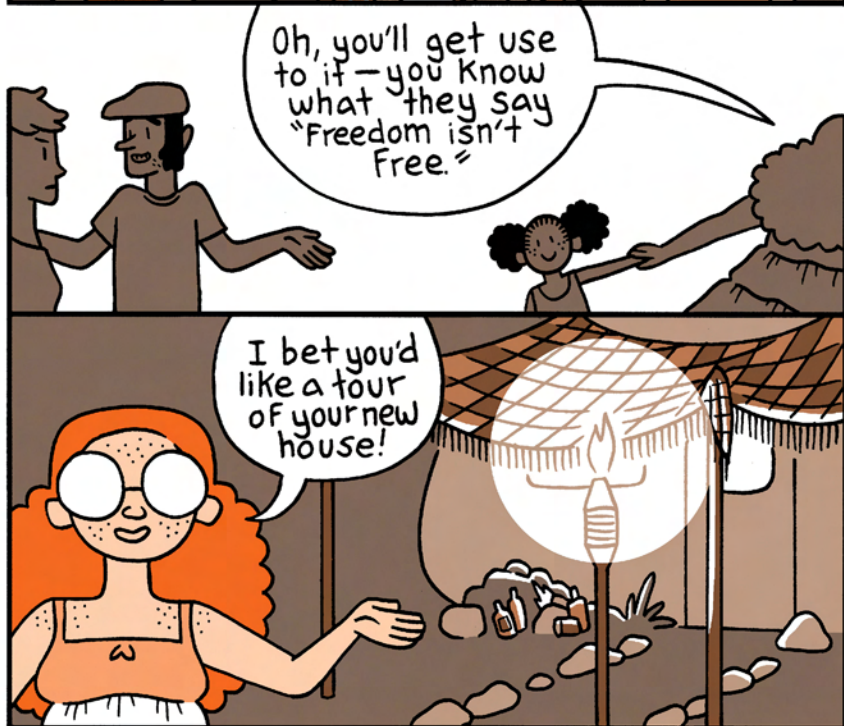

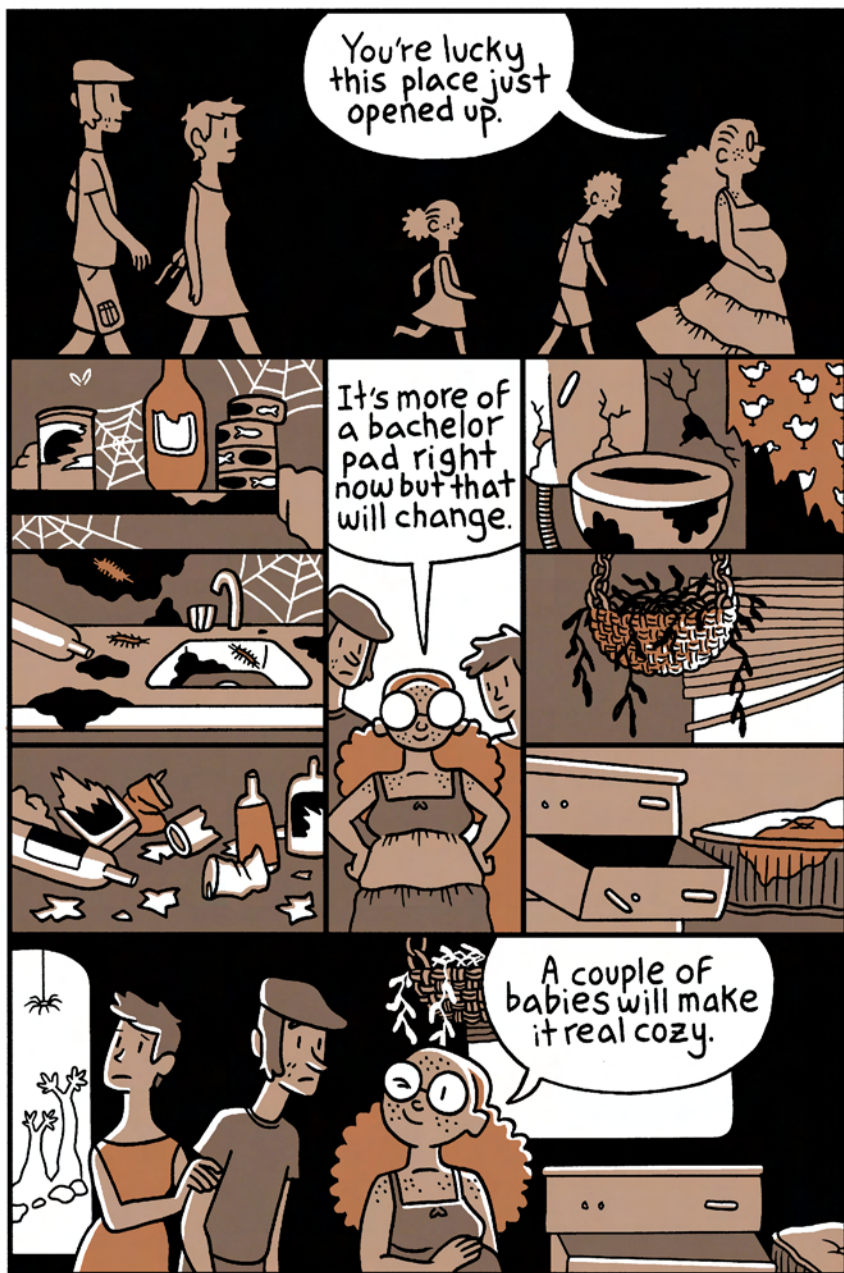

Thank you
for arranging
all this.

I'm just
happy to have
the company.

There aren't
as many families
around here as
I'd like.

But I thought
that was the
whole idea of
this place.

With more
people like you,
one day it
will be.

Mom?

That's
my name!
See you soon
guys.
