This book will feature my usual minimalist style and well-known use of shading Film

Oh, and while some portions of the script may seem text-heavy, as in, "How the heck will he fit all that yammering in one panel?"

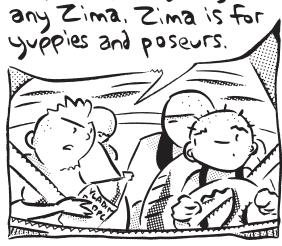

Don't worry! The blah blah etc etc etc

Is that all you eat, Whatere you, my Roop? You're gonna turn Mom? Shut the into a fucking Slim Jim or milkshake or some fuck up! Shit. Gee, I don't You want shome Know, if I'm Shaint Eyedsh, driving -Roj?
