

"Strong, graphic, dynamic—three necessary ingredients for a successful comic, and the work of Doug Fraser has it all. His hard-edged, bold approach to art is a natural fit for this graphic narrative. Fraser's lifelong love of comics and motorcycles has resulted in *Mort Grim*, his first comic about a modern day grim reaper. Fraser builds suspense with powerful figures at the same time giving us a peek into his endless imagination."

—Rebecca Bedrossian,  
Managing Editor,  
*Communication Arts Magazine*
