COMICS. When we started in 2002, we were initially a "book" publisher. It had to have a spine. A few years into it, and we thought we'd give the floppie/pamphlet/comicbook a try. So, here are a few of the ones we've done. Your local comic shop might have these, but if they don't it's near impossible for them to order. Our distributor doesn't really keep them in stock. So, if curious, check out our site, and place an order.

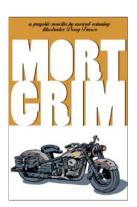

DISTRO. Stuff we love. So far we have Nobrow Press, Koyama Press, Malachi Ward, Traditional Comics and Revival House Press. I'm sure we'll add more as we find them.

BOOKS. We love them! I guess that's why we started this little imprint. We've done all types, too ... travelogues, collected works, anthologies, manifestos, imports... you get the idea. So, take a look around. If you find yourself interested, you can always preview them on our website.

As a small press publisher, we have had more than a few titles go out of print. Some we bring back, others we remember fondly. Here's a list of some OOP that we had the pleasure of publishing: PROJECT: TELSTAR, PROJECT: SUPERIOR, PROCESS RECESS 1 & 2, MONKEY & SPOON, SALAMANDER DREAM, MESMO DELIVERY, & SOUTHPAW. In other words... If you are on the fence about a title, ORDER IT NOW! Also, we may have just a few of the OOP mentioned above, so if you're interested, feel free to ask. XOXO. Check out our IPhone comics, too.
